THIS MONTH.....

100 YEARS AGO

Local: News was received that Percy Sandercock, husband of Margaret, son in law of Mr & Mrs C Wills of Castle Park, Trusham, was killed in action, in France, while serving with the Devon's 9th Battalion

National: As a result of very damaging U boat action, Britain introduced an effective convoy system to protect vital supplies crossing the Atlantic, leading to a rapid fall in German attacks.

International: The Second Battle of Arras was fought 9th April - 16th May, by troops from across the British Empire. While they made early gains, by the end of the battle, some 300,000 men on both sides were wounded, missing or dead, for no full Allied break through.

CHRISTIAN AID WEEK

It's better to die in a refugee camp than to die in a war - to risk your children's lives in a plastic dinghy and to leave everything you know behind. When the alternative is terror, bombs and bullets, almost anything is better. This is the terrible choice facing tens of millions of people worldwide - fleeing conflict and disaster, making dangerous journeys in search of safety.

Christian Aid Week was set up 60 years ago to support work with refugees in Europe following World War II. Let's act again now, to help relieve suffering and build a world where

everyone has a safe place to call home. And work with refugees is only part of the support provided - a hand up not a hand out - to those suffering from the effects of natural disasters, famine, war.

Every person who helps makes a BIG difference. If you would like to support the appeal, please put your donation in the envelope distributed with May i~T and pop it through my letterbox, at Vinnicombes, Trusham or let me know and I will come to collect it. Many thanks.

Our website, www.chudleighdevon.com has a map of the area with a facility that highlights the individual features of our notable buildings.

Our talk on **19th May**, 'Who cares about food and farming', will be given by John Wibberly who will highlight topical issues about the food we eat.

EASTER SUNDAY

The leader of the joyful, well attended Easter Sunday morning service was assisted by a number of children who transformed a harsh, cruel cross with gentle spring flowers.

APRIL RACES

While not a National, this was very Grand
With owners' bright colours so proudly displayed
And, in stark contrast to those Oxbridge blues,
On a very dry course, their movement was made.
London Marathon runners would have complained
That ruts and loose stones made the going too tough.

Our small contestants were stubborn and gritty.
For Devon ova are of far sterner stuff.

'How far not how fast' is the rule for the course.
When the judge called 'Go' for the Trusham Egg Race,
Some, with great force, hurled their delicate steeds,
Shattering their shells and a chance of first place!

Accepting their eggalant rolling gait
And avoiding the potholes and lumps and bumps -

This advice for next year's eggy contestants
Might make the difference twixt loss and Top Trumps!
