THIS MONTH.....

100 YEARS AGO

Local: Private J.N. New, Canadian Forestry Battalion (*stationed at Mamhead?*) was fined 5/- for riding a bicycle without a light in Fore Street Chudleigh.

National: 7th July, 57 people were killed in a daylight raid on London's East End by 22 Gotha bombers. 9th July, at Scapa Flow, HMS Vanguard was destroyed by internal explosion, killing the 843 crew. 17th July, George V's Proclamation changed the Royal Family's name from Saxe Coburg Gotha to Windsor.

International: At Passchendaele, 3rd Battle of Ypres, Germany used mustard 'gas' for the first time (rejected by the Allies as it lacked toxicity). Its aim was to disable soldiers, causing internal / external bleeding and to pollute the ground. High doses caused lingering, painful death.

WALK 4 OUR WILDLIFE TRUST!

On **Thursday 6th July at 8pm**, we'll be walking from the farm through Trusham, and then back through our woods and fields. We will be crossing the Brook, so wear waterproof boots, or bring a couple of bin liners to put over your shoes! We will use bat detectors and watch out for deer, foxes and badgers on the way back in the dusk. Approx 3 miles including steep and slippery walking, so suitable for older children (or tinies in backpacks!). Ask your friends to sponsor you/make a donation of at least £3.50 for Devon Wildlife Trust. Well-behaved dogs on leads. Bring a snack. Please book by email audrey@boveyclimateaction.org.uk

CHUDLEIGH & DISTRICT AMENITY SOCIETY

In June, Terry Brighton spoke about his pilgrimage to Santiago de Compostela in North West Spain, where St James the apostle (Sant Iago) is reputedly buried. From Exeter Cathedral, he walked to Plymouth. From Santander he walked the earliest pilgrimage route, the Camino del Norte. Speaking good Spanish, he was able to walk with confidence, following scallop shell markers. He made it sound easy, but the terrain seen on his slides, showed that determination and stamina were needed. There will be a visit to Ugbrooke House on **12th July** and on **17th November**. Lady Clifford will tell us about its restoration. The final visit on **24th August** will be a walk along the Stover Canal, a magical place that has undergone much restoration and exploration over the past eighteen years.

EARLIER

CHUDLEIGH PIONEERS

Seventeen children, with staff, visited Trusham Church to find out all about our lovely place of worship. The children, from Chudleigh Primary School's Pioneers' Club, meet every week to take part in craft activities related to a Christian theme. On their visit they enjoyed drinks and cakes served by Mary and Diana before setting off to explore the

church. There is display in church of drawings, writing and photos. The children would be really pleased if you went in to have a look at the display.

TRUSHAM VILLAGE MEETING

- Jim Putz and Cllr. Amanda Ford met with the Teignbridge Environment Councillor re: flood risk within the Parish. TDC will send a report.
- The position of Vice Chair of the Trusham Parish Meeting has not been filled to date.
- Complaints in relation to shooting parties using land around Trusham have been discussed with local police who support the request that land further away from the village is used.
- If the defib is used, WEBNOS or Community Heartbeat Trust need to be informed. Details will be left in the kiosk.
- Legal issues with regard to dog-fouling will be investigated. It was suggested the village might consider buying a motion-security camera.
- It was noted that a Green Bin Lorry was unable to access Church Lane recently. Cars double parked by the notice board might also prevent emergency vehicle access once again.
- Concerns about speeding were discussed. It was suggested that enhancing the entrances to the village might make drivers more aware, perhaps with the addition of one of the growing number of 'log-people', with a blue helmet and speed camera!
- A timer circuit has been installed to the heaters.
- A cleaning check list is to be given to Hall users.
- The issue of obtaining a new 90cm electric cooker for reheating purposes was discussed.
- Notices blu-tacked to the hall wall by election officials peeled off some paint when removed. The relevant department will be asked to ensure there

is no repeat. Village users are also reminded not to use blu-tak - whatever its claims.

- The next meeting will be held on **Monday 11th September at 7.30pm** at The Old Rectory.

LATER

CAUSLEY CONNECTION

A reminder of the planned fundraising walk by Charles Causley's biographer, Laurence Green who aims to raise money for a headstone to mark the place where the poet's father 'Charlie' lies. As Charlie died after 1921 he was not entitled to an Imperial War Graves headstone. His family had no money for such like. Laurence intends to set that right. His epic journey begins on **22nd August** from Trusham Church and would appreciate any support from locals. More details later.

AND

DOGGIES DO! SOME OWNERS DON'T

And still some doggies do what they must, while their owners don't do what is their legal responsibility. Those who fail to clear up after their dogs could be fined - and have been according to other village websites.

If unsure whether it was a dog 'whodunnit', try www.downthelane.net/garden-wildlife/identifying-animal-droppings.ph

Don't embarrass your pet, who probably can't read, doesn't carry bags and has no money for a fine.

PLEASE PICK IT UP!

ROAD OBSTRUCTION

So that utility, delivery - and - very importantly - emergency response vehicles have access to all Trusham properties, please look at where you've parked and consider whether it might prove to be an obstruction. The refuse collection lorry was unable to access Church Lane recently. Double parking by the notice board, especially when combined with parking by the defib kiosk inconveniences/puts at risk drivers exiting Causley Lane and Church Lane.

Although it's not an endorsable offence, the Highway Code warns against parking by a junction/brow of hill and parkers could face a fixed penalty of £50 or £100 if they cause an obstruction. There are other places in the village which have the same problem. We do have a shortage of parking places, but this isn't helped by drivers who have private parking who take available public parking places.
