TEIGN VALLEY FILM NIGHTS 2020-21

We are pleased to announce that we plan to go ahead with this season's showings. Work has gone on to make use of the Community Hall 'Covid Secure', in line with Government guidelines. There is space in to permit social distancing. This also allows easier viewing of subtitles.

The wearing of face coverings is compulsory.

Showings: the first Friday of the month:
2nd October; 6th November; 4th December;
8th January (not 1st); 5th February; 5th March

Entry: £3.50. Please bring the exact money to reduce handling. Price includes refreshments (tea, coffee, biscuits). The commercial dishwasher means running the kitchen will be simpler and cleaner.

Acoustics: hopefully, by October start, new acoustic panels will have been installed throughout the hall, which should improve the experience for everyone.

The season starts in conjunction with **Teign Climate Hub**, with **2040** (2019; Cert U; 92m) Award-winning director Damon Gameau explores what the future would hold by 2040 if we used solutions already available to improve our planet. Structured as a visual letter to his young daughter, it blends traditional documentary footage with dramatized sequences and high-end visual effects to create a 'vision board' for his daughter and our planet.

Rotten Tomatoes: 100% 'a must see' positive film
Bring your children, they are the future!

Doors open at 7pm; film show begins at 7.30pm, starting with a Tom & Jerry cartoon as usual.

EARLIER

MASKED MONEY MAKERS!

No - not a Bonny and Clyde hold-up, but villagers raising money for charity. Pat Phipps and Angela Cameron used donated materials (from Paul + Ness and Annie + Gordon among others) to 'stand and deliver' facemasks in exchange for cash. They raised a very useful £140 for THAT food bank which has helped them meet an increased demand for assistance.

TRUSHAM CHURCH'S FAREWELL

Rev Wimsett's last service as Trusham's vicar took place on August 8th on a lovely summer's evening, with the 'Covid enforced' outside location allowing contemplation of our ancient church's even older natural setting.

Helen and Dan led a short service of thanks and farewell to Paul, Trusham's fifty second rector to have walked through these glorious surroundings.
